APRIL 7, 2008

Dear Clients,

Currently our telephone system is down. We are taking measures to correct the problem. In the meantime we have our phone number transferred to a cell phone, which leaves only one line open at this time. If you need to contact us and cannot get through, please e-mail us at [jen@ncm-inc.com](mailto:jen@ncm-inc.com) for immediate assistance.

Sincerely,

Northern Capital Management, Inc.
